Terms Kaupapa. Ae Marika!

We are looking forward to a great last term with our main Kaupapa being 'Hinemoana'. Our key competency for this term is "language, symbols and text" and our value for this term is 'Integrity'. We are planning a trip to Kelly Tarlton's on Paraire, 12th Noema 2010. We also have swimming every Friday beginning in week 2 so please ensure that all students have their swimming gear and uniform items named clearly.

Whanau Hui:

Ae Marika mātua mā! We would like to inform you that our whānau hui for this term will be held:

- Week 3: 28th Oketopa 2010
- 5.30pm
- Te Huringa 1. Looking forward to seeing you all.

Hawaii Whanau Hui.

There is a hui called for all Hawaii whānau on Taite, 21st Oketopa, at 5.30pm, in the staff room. Please ensure that all travellers are represented at this hui. Kia ora.

Goggle sets.

We have been able to purchase some, pink and blue, goggle sets, which include, goggles, cap, a bag to put goggles and cap into, and a larger bag for a towel, and swimming gear. They are reduced from \$25.00 to the awesome price of \$12.50. Please check your child's hair to ensure that our tamariki are lice free while swimming whānau, and caps will help protect your child's head too.

Technology for Year 7 and 8:

Technology starts for our year 7 and 8's in week 1 and 2, Monday, Wednesday and Friday. Students require full and correct uniform, including correct covered foot-ware. Minimum class requirements of paper, pencil and ruler are also needed in tech classes.
