4 April 2019

Dear Parents/Caregivers,

## MEASLES

This is to inform you that there is a case of a student with Measles in our Year 7/8 group.

We have been advised by the Health Department to inform you of this and if your child or children are not immunised you should go to your doctor to get them done immediately.

Unfortunately the contagious time for Measles is **BEFORE** the spots/rash appears. Please ensure your child and the rest of your family is safe.

If you require further information please feel free to contact me on 09 2665558.

Yours sincerely,

(Mrs) Shirley Maihi      QSM
