Dear Parents

Last week our school was reviewed by the Education Review Office. Four Reviewers spent 4 days in our school looking at class programmes, talking to students and parents. Thank you to those parents who attended to meet them on Thursday.

### REPORT

We will receive a Report close to Xmas but the discussion that was had at the end of the week with our Board of Trustees was very positive. They said our class programmes were some of the best they had seen. Our immersion and bilingual units were tops and the students' interest and learning that is happening, they have never seen before. They could see how proud parents are of the school and how happy and safe your children feel. The reviewers remarked on the incredible commitment our teachers have, to provide high levels of learning for your children. I am proud of our students and their achievements, our teachers for their hard work, also you parents who support the school and your child's education and our team for their amazing leadership. Last but not least our Administration and Support Staff.
