## Wonderful Recount

### Writing

Beiataiawa from A6 wrote about her amazing holidays, she made her writing really interesting to read. The pretty picture was brilliant too. Well done Beiataiawa!

Rohan (right) and Tiritoa (left) from A3 are working on their Aboriginal art work for their art exhibition. If you look closer at their work, you can see all the natural colours they have used. We can't wait to see the finished results!

## Using Technology in A5 Jia the Artist!

These students from A5 got the opportunity to learn basic maths facts on the ipads, keep up the good work!

Jia from A2 has produced one of the best paintings in her class. Look at the colours she has chosen to use. We love the contrast between the dark black shadow and the bright orange and deep reds. Again, this is being prepared for the up coming art exhibition later this term.

## Leading Learners

Rastaman (left) wrote about going to the beach, and Te-liannah (right) wrote about going to Helma's house.
