*Hi I am Jennifer Chhun.
I have been doing a lot of interesting things and my favorite was going to the Duffy assembly. I really enjoyed the parts where we had to sing. I also leant to never Give UP.*

Team 1 have been very busy creating some beautiful writing. Classes have been taking part in some really awesome experiences. These have included special assemblies, bubble blowing, using computer equipment and eating food. Please enjoy their learning, we did!!!

WRITING AND EDITING ON AN iPad!

This is Beiatarawa from A6. In A6 they have been learning how to type and print from an iPad. She really stood out here with her story.

"This Morning I woke up early. Next I brush my teeth. Then I had a shower. After that I had my yummy breakfast at the kitchen later on my mum packed my lunch. Lastly my mum dropped me off to school."
EXCELLENT EFFORT!

This is Danisha from B7 they have been learning how to blow bubbles

We went outside onto the mat and Whaea Connie demonstrated how to blow bubbles with B7, with different blowers. Four bubble stations set up on the mat so we could be split up into different groups.

I saw tiny bubbles.
I saw shiny bubbles.
I heard laughing
I heard shouting and talking.
