A commentary of...

A bumper crowd of 26,374 fans at Wellington Suncorp Westpac Stadium to see the two mighty Hurricanes vs Highlanders.

Ardie Savea's last minute try was amazing!

Ardie Savea down low at the back of his team (the Hurricanes) waiting patiently getting ready for the tackle. TTRRIINGGG!!!

Then BAM! Ardie Savea grabbed the ball and ran to score a try for his mighty team GO SAVEA!. He ran, ran fast as lightning then... BANG! he bumped onto Malakai Fekitoa,... more like Ardie Savea bumped on to you yeah!

Then JUMP!!! The huge crowd all cheered and screamed for Ardie Savea and his team. HOORAY! WOOHOO! That was Ardie Savea's last minute score try. Hooray!.

The crowd all cheered very loud ... but.. There was one last thing to do, Beauden Barret had to score a precious goal for his team to win.

Everyone had their fingers crossed !!!

He placed the ball on the cone, he walks backwards slowly , then stops ,he focus... he runs! Then he KICKS! WOOHOOO! He SCORES! HURRICANES WIN !!! EVERYONE CHEERS!!

B15 have been writing a range of commentaries on sports events. Carlos also produced a great piece on this exciting game.

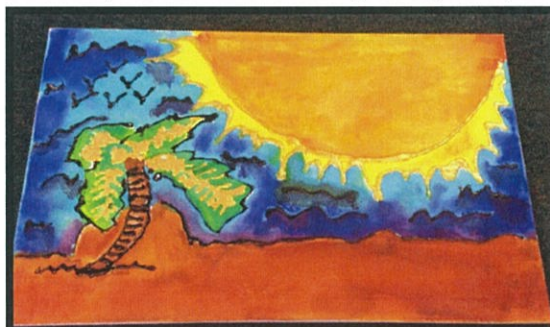

ART IN PROGRESS.... All classes are working on their amazing Art for their exhibition in Week 8.

B7 wow! Look at their awesome papier-mâché. Yay! Keep it up B7!

B4's clay monsters are coming along nicely...

Well done for Lorenzo Samaunga and Andrick from B15. They have almost completed their Jo May inspired canvas Art.
