## Get your House T-Shirts NOW!!!!

**Alieta, Grace, Torrence & Ann-Marie**

At the start of Term 2 Finlayson Park School introduced some bright new house T-Shirts. We want to encourage students to purchase these T-shirts. The school has put them on special for the month of May. You can buy one from the school office for only \$3.00. Be quick before the prices go up. In June they will be \$5.00, and in July they will go up to \$10.00.

**Alieta in OLT9 from the strong house Totara, said, "I love this T-shirt so much I would wear it anywhere!"**

**Grace in OLT8 from the awesome Kauri house said, "I love my shirt I would wash it everyday".**

**Torrence in OLT8 from the undefeated Kahikatea said, "I am obsessed with my T-shirt, purple is my new favourite colour".**

**Anne-Marie in OLT8 from the conquerable House Rimu told everyone who walked passed her, "I feel so alive when I wear this shirt, it feels like it gives me power".**

So there you have it, I hope the feelings of these

students have persuaded you to buy one quickly. Don't miss out...

## Working hard!

We noticed these girls focussing and working hard. Keep up the beautiful handwriting. We love catching out awesome students!

These two outstanding young ladies are from OLT1, we took this photo because their attentiveness to sewing drew our attention. These girls might be the future best Tailors.

Trisha and Kimberlina in OLT6. And as you can see that they are so connected into utilizing the ICT devices in their learning. These are the kind of students we need at Finlayson Park School and in O Le Taidala.
