Superhero Listeners

To become a great learner and build your fantastic bilingual brain there are many skills students must learn to master. One of the most important is being a good listener. In TR1 those students who show great listening are real superheroes! If you see a student with a cape its because they have shown awesome listening. Keep an eye out for these superheroes!

It is with a heavy heart that say goodbye to Whaea Rewana and Whaea Jacqueline at the end of this term.

Rugby Reps

A few dedicated and talented students from TRRR have been selected for the Auckland Maori Rugby league team. They trialled with 200 other kids and 3 students made it through. These are Sonny Atkinson TR9, Brooklyn Nathan TR9 and Madison Kake TR8. Congratulations boys!

Uniforms: A Kind Reminder

We would like to inform all students and parents of TRRR that there is a clear school policy for what students must wear at school. This includes full school uniform no incorrect shoes, clothing or accessories.

In addition to this policy Year 7/8 girls are allowed to wear black stockings underneath their skirt during Terms 2 and 3 when weather is colder.

Art for Art Sake Exhibition

Parents please keep in mind there is an up coming event in Week 9 called Art for Arts Sake. Please come and view some very special pieces of work. You even have the opportunity to buy your child's beautiful piece of art too. You will be highly impressed by the amount of work students have been putting in! Below is a sneak peak of just some of the art that will be on show. We can't wait to see all the final results. TINO PAI TRRR!

Students in TR8 have been busy carefully creating some Maori influenced mosaic art. Each student has mounted their work on a canvass and will look beautiful on any wall in any home. We loved the patterns and designs.

TR7 have made some outstanding art based on a Matariki theme. The colours and techniques they have used really reflect the night sky. Each piece of work has been completed on canvass and will look great hanging. Great effort!

These amazing students for TR1 studied Eric Carle's tissue paper illustrations. Eric Carle is famous for writing the Very Hungry Caterpillar. These amazing pieces really stood out for us.
