Kia ora, Bula vinaka, Namaste and many more greetings to you all. Thank you to those parents who sponsored our children for their Spellathon and for supporting our cake stall fundraiser.

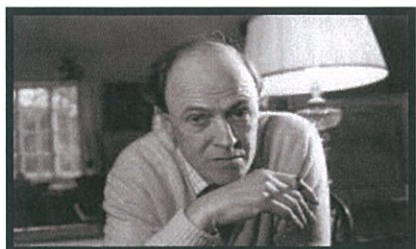

Literacy week

Last week Nga Hau e Wha 2 had an awesome literacy alive week. Thank you to Nga Hau e Wha 2 parents who supported their children for literacy week. Congratulations to those children who won 1st, 2nd and 3rd place in both reading and spelling competitions.

A lot of these characters students chose were based on Roald Dahl books such as the witch on the right side corner, which is Tiaara Diamond in B15.

Roald Dahl is a very popular author that wrote many fantastic and memorable stories. Over 2 million copies of his books have been sold worldwide to date. Check the school library, they really are great!

— Persuasive Writing —

Aggie Bureta from B15 did an awesome writing piece about graffiti in Manurewa. If you would like to have a read all Aggies thoughts then go to B15, her work is hanging on the wall.

Do you know that there seems to be a lot of Graffiti around Manurewa. When really there should be no graffiti.

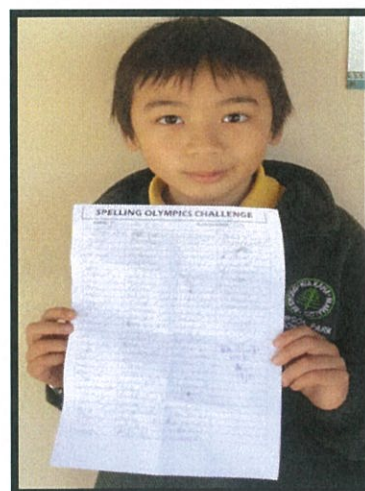

UGLY **GRAFFITI** **MESSY**

Graffiti is ugly, messy and makes Manurewa look hideous. It's time to change and make our town clean. Don't you agree?..

Graffiti is bad because everyone can see bad language, and rude nasty drawings displayed around. It's written all over the place. It's nasty stuff.

UNSATISFACTORY

100% SUCCESS !!!

Tayson Lee from B9 got 100 out of 100 for his spelling test in literacy week! He told us that he'd been preparing for a while. Look, cover, write, check! We are sure these words will help him with his day to day writing now. WELL DONE, KEEP IT UP TAYSON!
