Select one favourite event/object in your surrounding and write a poem about it

STEM Challenge Cards

Make a structure which you can fit completely inside and are then hidden from the outside world.

Competitions – Which structure covers most of a body? Who can get into their structure in the fastest time?

Which structure covers most of a body?

Take a video and share on Google Classroom

STEM Challenge Cards

Design and make an umbrella or any device to keep the user dry during a rain shower.

Competition – Which device would keep the user the driest? You can judge this by inspecting the quality of the materials and the seams (does any daylight show through?) or wait for it to rain and try them out for real!

Take a video of which device would keep the user the driest?

STEM Challenge Cards

Design and make a bridge spanning a gap of 30cm which can hold as much weight as possible.

Competition – Which bridge can hold the most weight before it fails? (Use actual weights, books, blocks etc.)

Take a video of which bridge, can hold the most weight before it falls

Write a diary daily. Record the time and what you have done.

Kaveinga:

Find living things in your garden. Record how many insects you have found, record in a tally table, put in a frequency table and draw the line graph. If you have a laptop or device, record your data on a spreadsheet and create 3 different graphs using the data collected e.g pie chart, bar graph, line graph.
