

INNOVATIVE TEACHING AND LEARNING APPROACH:

- Growth mindset: Following student interests /teacher expertise. Authentic learning experiences within daily programmes not tied to specific times, and integrated curriculum delivery with digital technologies being taught and integrated as needed.
- All The 5 Key Competencies are the major learning focus to grow student ability for their own lifelong learning.

Included:

- Individualised Learning
- Self-directed learning
- Integrated Learning Curriculum
- Mini workshops with the teacher for the specific instructional needs of the students.

TIMETABLES

Statement:

CURRICULUM INTERGRATION IS NOW AN EXPECTATION SO ALL LEARNING AREAS ARE NOT GIVEN A SPECIFIC TIME.

HISTORICALLY – These were expectations:

Language (Oral & Written)	- 4	} 10 hrs 30 mins
Spelling	- 1 ½
