

Design	Maths	Writing
<p>Design a poster to encourage people to reduce, reuse and recycle.</p>  	<p>Place Value Ordering 2-Digit Numbers Compare and order the numbers below, from smallest to largest.</p> <p>13 45 29 36 19 50 90 68 90 68 11 79 56 19 57 87 49 99 95 78</p> <p>Practice you 3 and 4x tables with a member of your family. Can you say them backwards?</p>	<p>Choose one of the writing prompts and complete a page of writing:</p> <p>Do you think your family could ever grow some of your own food? We are lucky the Earth provides us with.... Why do we need to take care of the Earth?</p> 
Spelling	Poetry	Get Moving!
<p>Learn these Sustainability words for your spelling:</p> <p>Reduce Reuse Recycle Energy Waste Earth Save Clean Green Toxic</p> <p>Make a bingo game and play it with your family using these words! Write out the words, colour the vowels in red and the consonants blue.</p> 	<p><b>Listening</b> <i>With a microphone plugged into the earth We can hear ferns creaking, rabbit-chatter, Tree roots muscling up through the dirt. We can hear bones turning, slugs spawning, Mushrooms growing, ants drinking sap. When we take our earphones off we can hear Earth's huge silence listening back.</i> – Peter Bland Go outside and listen for 10 minutes then write your own poem about Nature in your backyard.</p> 	<p>Save energy in your home by putting on a jumper or doing some exercise!</p> <p>Gather up the family and do 3 sets of the following:</p> <p>10 Star jumps 10 Burpees 10 Lunges 10 squats 10 push ups 30 sit ups</p> <p>Rest for 10 seconds then repeat! Remember to warm and cool down.</p> 

# Saving Energy

Don't leave the tap running while you wash your hands or brush your teeth.

Wear a jumper instead of turning the heating on.

Always turn off lights, televisions, computers and games consoles when you are finished.

Read a book or play a board game instead of watching television.

Recycle as much as you can- this uses much less energy than making new materials.

Walk or ride a bicycle to school instead of travelling in the car.

Have short showers instead of baths.

Never leave the fridge door open. Decide what you want before you open it.

Keep windows closed when the heating is on.

Encourage your friends and families to help by sharing these tips with them!

Be an Energy Expert!
