Dear Parents

POSTPONED CAMPS

Owing to the COVID 19 issue and Government information for our New Zealand schools we have decided for the Health & Safety of our students and staff, to **postpone** all school camps and all trips outside of Manurewa till later in the year.

We will monitor how this issue develops over the next few months and then make decisions on what we can or cannot do.

Our school is open for usual lessons and we will inform you if this changes. Keep checking school website, facebook, school bags for notes and school electronic sign.

Remember:

- If anyone in your family is self isolating do not send your child to school till they are clear of their 14 days.
- Wash hands regularly with soap.
- Cough or sneeze into tissues or your elbow.
- Do not share drink bottles.
- Take extra care with **all** hygiene in your house.
- Do not hug, hongi or kiss.
- Do not visit public areas unnecessarily.

Please inform the school office if your family needs to be isolated.

Hei ano
