

Parent Update---Bulletin 8

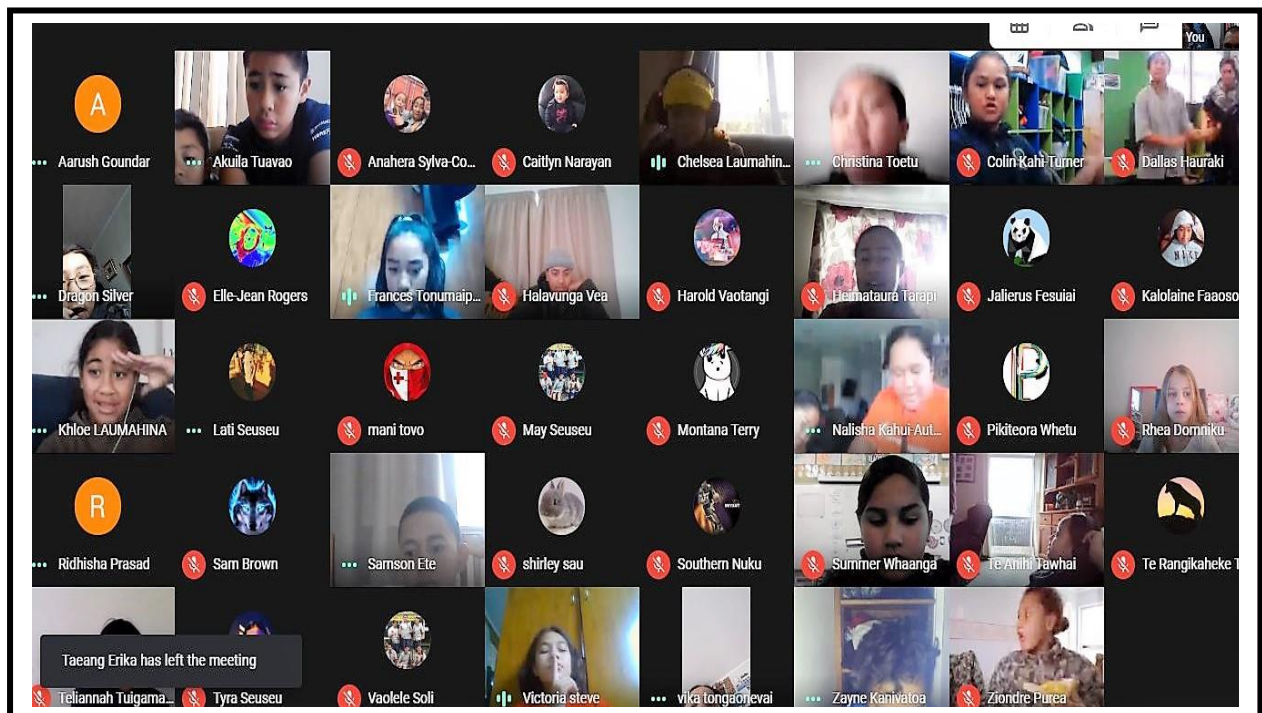

Hi All. This is short catch up for this week. Great to see so many hard-packs getting picked up over past few days. Last day for pickup is TODAY before 2pm.

On Thursday this week we will know more about how schools can operate at Alert Level 2 and on Monday 11th of May we will know whether the Govt is taking us to the new Level. I will keep you updated on the next plans for our school.

We have had 13 booked in students at school this week. Great to know so many of you are supporting your children in their home learning. I have seen some great working photos from our teachers of your children's work.

Take care, be safe and be kind. Hopefully not too long to go now.
