

Principal's Update 17th May 2020

School opens tomorrow 18th May at 8.40–2.50 pm. All students are expected to return unless sick. If your child cannot return to school you must provide a Dr Certificate.

All teachers will not be able to provide online learning or hard-packs as they will be busy running face to face programmes with their classes. If your child has a chronic chest condition please contact me to discuss options for their learning.

Front gate and Tamworth gate will be open with sanitising stations for students (teacher supervision).

Thanks for your support

Shirley Maihi.

Principal
