Dear Parents/Caregivers

Welcome back to everyone after a long 7 weeks of lockdown. It is great to see our students back at school and they seem very happy to be here. Seeing their teachers face to face and their friends has been a big BUZZ for them. It's also a big BUZZ for our teachers too. They have missed the interaction with their students.

SAFETY PLAN

We have a very strong Safety Plan in place for our school. You can view this on our school website – finlaysonpark.school.nz (front page button) or you can collect one from our school office.

We are asking everyone entering our gates to hand sanitise on our sanitizing stations and walk through a disinfectant tray for shoes sanitising.

Everytime our students enter or leave their classrooms they will sanitise.

WATER BOTTLE

Please provide your child with a water bottle that can be named and left in their classroom as we are not allowing use of our drinking fountains till Alert Level One.
