Kia Tipu, Kia Rea, Kia Tū Toa!

2 o Pīpiri 2020

Tēnā koutou e Te Whānau o ngā tamariki o Te Rōpū Reo Rua,

Ko te manako nui kua noho haumarua katoa koutou ki a koutou anō i tēnei wā o te urutā.

During the last 2 weeks all tamariki of Te Rōpū Reo Rua have been slowly easing back into their learning. All classes have all been focusing on a range of exciting kaupapa involving Well Being which no doubt your tamariki have come home talking about. One of the kaupapa is “Kia Tū Toa” where lessons of Takaro Māori (Māori Games) are taught such as mau rākau, tī rākau and Māori games. This week tamariki will begin to interact with other classrooms in a rotation or 2 class interaction lessons. The School Health & Safety plan for Level 2 is strictly followed during each lesson keeping to the social distancing, sanitising of equipment and low numbers of tamariki participating.

For the whānau of tamariki who have not returned to kura. We are all well here at school and look forward to your child getting back to class, so face to face learning can begin again. Our school's Health & Safety Plan is very strict and careful.

Reminders:

- Parents of tamariki in TRRR1 & TRRR2 can only collect their tamariki from outside of the office at 2.50 pm. Please do not enter the school grounds unless you have notified the front office.
- The tuckshop is closed, lunches are now being ordered through your child's classroom, orders must be taken before 9.00am. Please ensure your child arrives in kura on time to order their lunch.

Ngā manaakitanga a te runga rawa ki a koutou katoa
