A Reminder to Update Your Contact Details

Tēna Koutou katoa e te Whānau, Me Haumaru ai te noho ki tō koutou Kainga.

As We have gone into Lock Down due to COVID 19 we ask that you all keep well and safe. Wash your hands regularly. We got this Whānau mā.

There is mahi the tamariki can do to tautoko their learning. TH5 have all their mahi available on Google Classroom. TH4 have online mahi with Study ladder, Prodigy for Pangarau and their e-Portfolios. The teina classes have had learning packs delivered. Unfortunately some packs that were delivered on the day before Lock Down went to homes where those Whānau no longer live there.

So another reminder Whānau mā, please update Contact Details

Noho ora mai, Stay Safe e te Whānau.
