25 August 2020

Dear Parents and Caregivers,

**OUR SCHOOL IS OPEN FROM  
MONDAY 31<sup>ST</sup> August ----We are Back.**

Well done to us all for being so careful and patient. Strong vigilance, good hygiene practices, coupled with the hard work our health authorities are doing to identify and support any confirmed cases and their close contacts remain important for all of us.

**Just a reminder that while everyone is onsite at Alert Level 2 next week, we must adhere to key health measures including:**

- Good hand hygiene and cough and sneeze into your elbow.
- Staying away from school if sick.
- Keeping the appropriate physical distance from others (in class this means no touching each other and keeping out of breathing distance).
- Cleaning and disinfecting our high touch surfaces several times daily.
- Displaying QR code posters at our entrances and encouraging all of our community to use it if they come onsite.

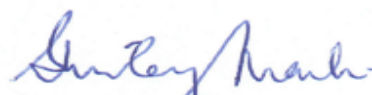

- Keeping a visitor register for anyone who cannot use the app and for other visitors who come onsite for a period of time.
- **No parents past the office except for one New Entrant parent (5year olds)—but parent must sign in at office first.**

We know all these things will help to keep our community as safe as possible. Because of these measures, your child does not need to wear a face covering while at school.

We will of course support them should they choose to do so.

For those of you who might be finding things more difficult than usual, a reminder that there is a large range of support available. We will help you to find the information and support you need.

Ngā mihi,

(Mrs) S J Maihi QSM
