Dear Parents and Caregivers,
We are open for learning. It is time for us all to get back to learning. If you want your child to wear a mask, this is very acceptable. We do have most of our students back at school today and all seem very happy. If the Government puts us onto Level 1, from Wednesday then we are planning an **open morning on Wednesday 23rd September**, to show you our students ART work. I will send you more information if we are allowed to do this.
