Kia ora whānau,

Mihi Maioha

He mihi mahana kia koutou katoa. Ko tēnei wāhanga o te Koanga, he wāhanga mahana, kua puawai, kua whānau hou, kia tipu kia reia. Kia pērā anō te pai, kia tātau, e te whānau, i tēnei wāhanga whakamutunga o te tau 2020.

Tuakana Year 8 Kapahaka Concert

This year, we have created a special event in honour of our Year 8 Graduating students in kapahaka. It will take place Monday 14th December at 6pm under the Supertop at school. Their voice to perform one more time, was the leading drive of this event, particularly after the disappointing news that dates for Tamaki Regional competition had been changed.

This Concert is a narrated show of entertaining items that displays various Māori weapons, taonga and styles of performance. We welcome all whānau in our community to join us, in this 'One Off' event, to farewell our Year 8 / Tuakana and showcase the potential of our future kapahaka performers. A program of this event will be sent out closer to the time.

Te Kāhui Huringa Kapahaka

All students in kapahaka are expected to attend these practises to build and increase their performance skills and vocal techniques. This term kaihaka are building confidence and competence to take the competitive stage next year. Though the show will focus primarily on Year 8 performers, kapahaka students are needed to provide quality sound and volume for this concert.

Practice dates & times

- Tue & Wed (lunch times)
- Thursdays – 22nd Oct, 5th Nov, 3rd Dec (3 – 7pm)
