Dear Parents and Caregivers,

We hope you had a happy and safe Labour Weekend. All our staff spent yesterday (joining with 4 other schools) learning more about the Digital Technologies Curriculum. Several of our staff took workshops and we all learnt many more skills which will assist our students even more. This conference was DIGITKETE 20 and held at Clendon Park School and all teachers and support staff had to choose 3 areas of new learning which they can now practice with students. It was a great day.
